

## Transtar Industries Partners with Meineke Franchises

**[Cleveland, Ohio – July 20, 2022]** Transtar Industries, a leading automotive parts and software solutions distributor, has partnered with the Meineke Dealers Purchasing Cooperative, Inc (MDPCI) as a preferred partner. The MDPCI represents the Meineke Franchisees. Meineke is a national chain of automotive repair and maintenance centers. Transtar will support Meineke with its expansive product portfolio and nationwide distribution network.

Transtar Vice President, Traditional Aftermarket Andrea Kunes says, “Partnering with the MDPCI and the Meineke franchisees is a natural fit for us and an excellent integration for our product portfolio which has everything from complete transmission units to air conditioning components. We are proud to support Meineke and look forward to a successful relationship.”

Meineke is a leader in automotive aftermarket repair with over 700 locations nationwide. Since 1972, the chain has offered a wide range of preventative maintenance and car repair services.

MDPCI Executive Director, Ron Soto says, “We are excited to begin offering Transtar Industries’ continually growing catalog of high-quality parts. They match our commitment to excellent customer service.”

Interested parties can learn more about partnering with Transtar Industries by contacting Vice President, Traditional Aftermarket Andrea Kunes at [akunes@transtar1.com](mailto:akunes@transtar1.com) and by visiting [www.transtar1.com](http://www.transtar1.com).

### About Transtar Industries:

Transtar Industries is the global leader in transmission and driveline-related solutions. Dedicated to providing customers with outstanding service, offering the broadest product catalog and best-in-class distribution of quality OE, aftermarket parts, and premium remanufactured products. Founded in 1975 in Cleveland, Ohio, in four decades, Transtar has grown to be a global supplier of products related to the transmission and driveline, with a comprehensive offering that includes automatic and standard transmission units, transmission rebuild kits and components, remanufactured torque converters, hard parts, valve bodies, differentials, and transfer case kits and components. Using their robust distribution network throughout the domestic United States, Puerto Rico and Canada, they deliver products to more than 80 countries.
